## FIRST DESTINATION SURVEY: TRADITIONAL UNDERGRADUATE BACCALAUREATE COLLEGES

# ABOUT THE SURVEY

## TRADITIONAL UNDERGRADUATE BACCALAUREATE COLLEGES: CLASS OF 2024 FIRST DESTINATION SURVEY

The first destination survey provides an overview regarding the status of Eastern University Traditional Undergraduate Baccalaureate (TUB) alumni within six to nine months of graduation. For the purposes of this survey, "Class of 2024" is defined as a TUB student who graduated in August 2023, December 2023, or May 2024. The Center for Career Development gathered statistics using the professional guidelines set forth by NACE (National Association for Colleges and Employers). The First Destination Survey, created using Qualtrics and shaped by NACE guidelines, was distributed electronically to TUB alumni. Faculty members were contacted via email in early 2025 about graduates whose status remained unknown. Additionally, information on non-responders was retrieved from updated professional profiles on social media sites (primarily LinkedIn), my.eastern, and employer web pages.

Through this extensive process, we obtained an 85% knowledge rate of the Class of 2024. "Knowledge rate" as defined by NACE is the "percent of graduates for which an institution has reasonable and verifiable information concerning the graduates' post-graduation career activities." 65% is the NACE industry benchmark, which the Center for Career Development exceeded. Our intention is to provide a summary of first destination highlights, as well as a specific breakdown by TUB Colleges for the Class of 2024.

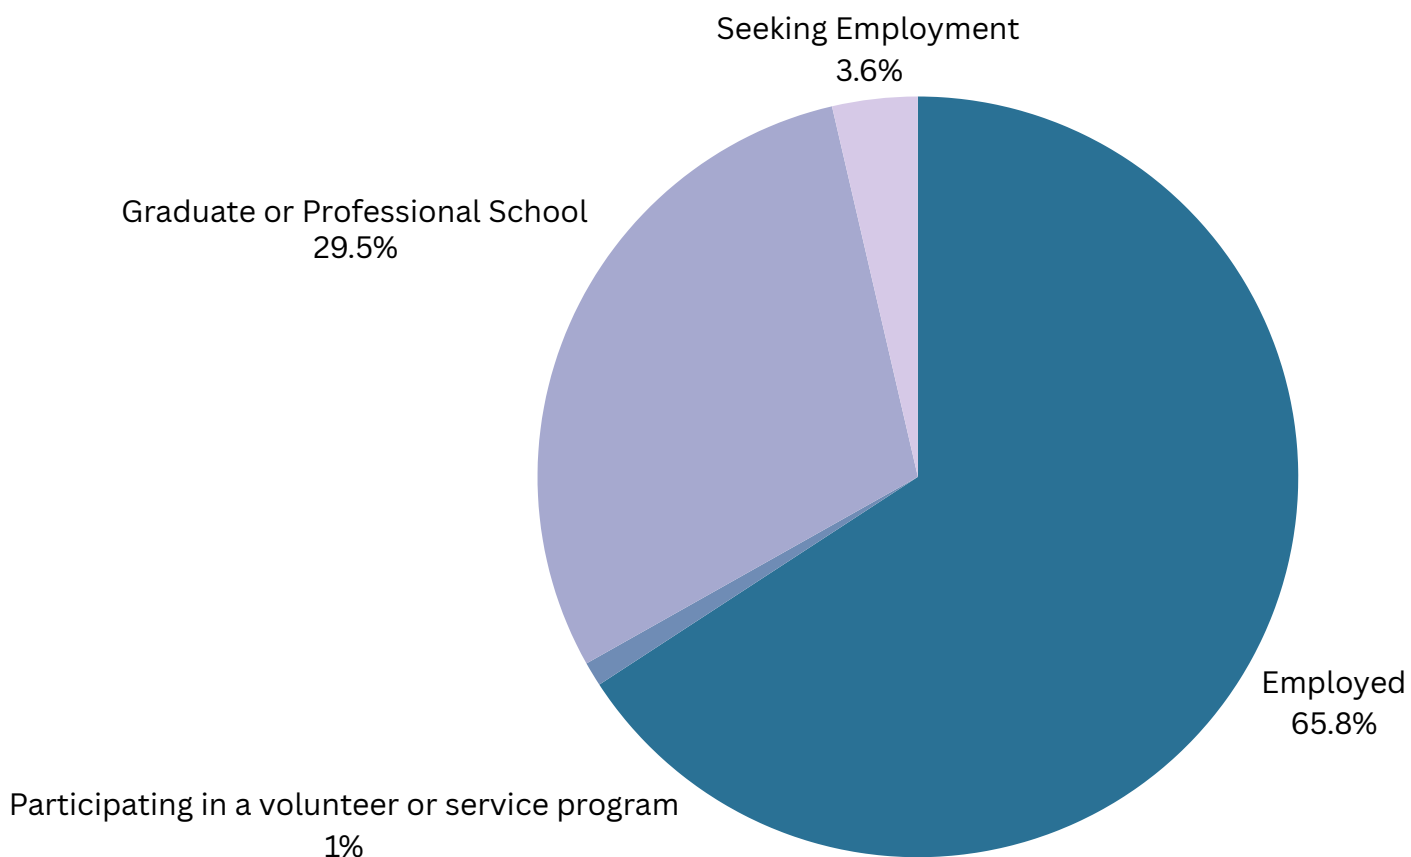

Submitted by Sarah Todd, M.Ed '13  
Director, Center for Career Development, 4/2/25.

## QUOTES FROM CLASS OF 2024:

I am a ballet, lyrical, and conditioning teacher at three dance studios. I use my exercise science knowledge to create strength and conditioning classes specifically for dancers...I am building class curriculums and conditioning programs to hopefully turn into my own personal training for dancers business. What I am doing now was my plan through college and am very happy with how it is going.

I've started a full-time position with the University of Pittsburgh as a library publishing specialist. It's super exciting, and I love being on this new path in my career. Library publishing is so interesting and so important, and I'm grateful to have this experience working with Pitt.

I'm a nurse at CHOP now, which was my dream (:

I am working at a small Christian school and am absolutely loving it. My employer was very impressed by my student teaching employment experience, which was only made possible through an Eastern connection, so thank you!!

## QUOTES FROM CLASS OF 2024:

I'm working with future Eagles for our Graduate office, and I love it!! It has been amazing so far and I'm so happy to be a part of the Eastern Family now as a staff member.

After graduating from Eastern University, I enrolled in the Urban Teaching Apprenticeship Program at the University of Pennsylvania Graduate School of Education...Now that the Fall 2024 semester is in full swing, I am student-teaching in Philadelphia while attending night classes. It has been a fun and rewarding experience so far connecting with students and learning in the teaching field.

I work as a social worker. I got this job through the connections that I made through Eastern.
