

## EU-Villanova Engineering Program

### Student Financial Responsibilities

I acknowledge and understand the following financial conditions and responsibilities related to the Eastern University/Villanova University dual enrollment program:

1. As an enrolled student at Eastern University, I will be taking undergraduate courses in Engineering from Villanova University.
2. I will have no obligation to pay for Villanova courses that count toward my undergraduate degree other than Eastern University's tuition, provided that I complete the Villanova MS Engineering degree within 3 years of graduation from Eastern.
3. If I do not complete the Villanova MS Engineering degree within 8 years of starting my undergrad degree at Eastern, I understand that I will be responsible for repaying Eastern the previous subsidized cost of all Villanova Engineering courses taken at Villanova's part-time undergraduate student rate per credit as outlined on Villanova's website.

To view Villanova University's undergraduate part-time student rate per credit, visit [villanova.edu](http://villanova.edu). For more information about the EU-Nova Engineering Fast Track program, visit [eastern.edu/engineering](http://eastern.edu/engineering).
